Amendment 2 has been made to correct the allocation formula percentages used originally. Our allocation formula should be based on a senate candidate only election year. We have transferred funds from our federal account to repay our non-federal account for this difference on 3/09/06. This amendment is made to include an allocation transfer of administrative expenses dated 12/30/05. This allocation was made within 60 days of payment to the vendor. We used the fixed percentage allocation ratio for 2005. In response to the Federal Election Commission's preliminary review of the December monthly report, Calendar year-to-date total from the previous report and Total This Period are corrected to match. Also the beginning cash balance of this report equals the ending balance of the November Monthly Report.
